

Veriton S670G

Must-have business partner

The Veriton S670G Mini Tower PC is packed with the latest technology. Supporting Intel's Core™ 2 Duo/Quad processors and Intel® vPro™ technology (AMT 5.0), the S670G offers blistering performance. Capable of processing multi-threaded applications like never before - you'll get things done in half the time.

Featuring the latest Intel® Q45 Express Chipset, and designed specifically for the business world, the S670G boasts flexible security and manageability solutions with all-new levels of performance and power efficiency. With continued support of Intel's Stable Image Platform Program (SIPP) and improved remote system management you can reduce the number of desk-side visits required to support your fleet.

The ultra-fast DDR3 memory (twice the speed of DDR2) ensures bandwidth is no issue. With high capacity serial ATA hard drives and PCI Express® 2.0, you will experience business computing on a whole new level. The Veriton range now includes Acer ControlCenter and Acer Security Suite. Security Suite provides TPM-based security, ensuring total data security for system files, passwords and other vital information using high-level encryption and security key protection.

This desktop is a must-have for today's business needs.

Why Veriton S670G?

- Intel® Core™ 2 Quad processor support
- Up to 8GB DDR3 Dual Channel memory support
- Built in Trusted Platform Module 1.2
- Energy Star 5.0 certification
- AMT 5.0 VPro Capable

Technical Specifications

Model Name	Veriton S670G
Processor & Chipset	Intel® Core™2 Quad processor with Intel® vPro™ technology (up to 1333 MHz FSB) Intel® Core™2 Duo processor with Intel® vPro™ technology (up to 1333 MHz FSB) Intel® Core™2 Quad processor Intel® Core™2 Duo processor Intel® Q45 Express Chipset with Intel® ICH10DO
Operating system	Genuine Windows® 7 Professional 32/64-bit Genuine Windows Vista® Business 32-/64-bit Genuine Windows Vista® Home Basic
Memory	Up to 8 GB DDR3 800/1066 MHz SDRAM (dual-channel support on four DIMMs)
Storage	Serial ATA hard disk up to 1 TB RAID 0, 1, 5, 10 and Intel® Matrix Storage Technology RAID capability
Storage and Expansion bays	Optional 1.44MB floppy drive, Optional Optical Drive, One 5.25" drive bays, Four 3.5" drive bays (two external, two internal)
