

VERITON

X2611 / X2611G

Essential computing to get the job done fast

Acer Veriton X2611 and X2611G desktops deliver powerful processor performance for multi-tasking and essential manageability functions in an energy-efficient design. These machines also feature multi-level security mechanisms, as well as Intel® HD Graphics, which enables you to extend your view to a second display, for improved productivity.

Powerful performance for multi-tasking

- 3rd generation Intel® Core™ processors for smarter performance
- Intel® HD Graphics delivers sharp images and lets you use two monitors
- PCI Express 2.0 x 16 supports discrete graphics cards for vivid visuals
- Up to 16 GB of DDR3 memory extension for faster processing

Essential manageability

- WOL and PXE support enables remote management by IT staff
- Acer Veriton ControlCenter places crucial controls in one panel
- Acer Backup Manager lets you quickly back up files to selected drives
- Acer eRecovery Management for advanced recovery configurations

Multi-level security

- TPM 1.2-compliant hardware provides corporate-level security
- Acer ProShield for essential security and manageability¹
- Acer eLock Management allows password-control of access to drives⁷
- Kensington lock slot lets you lock your computer with a cable

Earth-friendly certification

- ENERGY STAR® 5.2 for energy efficiency and power savings
- GS compliance for safer product designs and better ergonomics

Acer recommends Windows 8.

About Acer

Since its founding in 1976, Acer has broken barriers between people and technology, enabling people to explore beyond limits. Acer ranks No. 2 for notebook PCs globally (Gartner data 2011). The Acer Group employs 8,000 people across the globe, and revenues for 2011 reached US\$15.7 billion.

Acer's channel business model is instrumental to the company's success, while its multi-brand approach integrates Acer, Gateway, and Packard Bell brands in worldwide markets. Acer designs environmentally friendly products and, with its vendors, has established a green supply chain.

Acer is proud to be a Worldwide Partner of the Olympic Movement. That includes supporting the Vancouver 2010 Olympic Winter Games and London 2012 Olympic Games.
